H. W. Hill -

Who, after being by me duly sworn, an oath deposes and says:

On November 24, 1963, the F.B.I. took property and evidence which had been seized in connection with arrest of Lee Harvey Oswald, for assassination of President Kennedy, to their office in the Santa Fe Building. I accompanied the agents and property to the F.B.I. Office, and I was present when Agent Warren G. de-Brays checked each item, called the name of item and description off to their stenographer who typed the descriptions on Police Property from official invoice or receipt sheets. On Invoice sheet #1119-G it stated they had picked up from the Dallas Police Department: One-Minox Camera, One Pedometer, One Compass, One Inman Self Alarm, One Lens in Hood, One Fifteen Power Telescope, Walkman, One Stereo Viewer, One pocket knife in leather container, a photograph, No. 375 was taken of the above articles.

Quite some time later, several weeks, an agent of the F.B.I. came to the property room and referred to our Invoice #1119-G and stated they did not get the camera as shown above, that they got only the Minn Light Meter. He requested that I note on Invoice #1119-G his statement regarding the Minn Camera. I did as note. I do not remember the name of the agent who came to the Property Room and made this request. I did not write his name down.
